

EXPLORING ADOPTION?
KNOW WHERE TO GO.

TIP #1

WE TREAT EXPECTANT PARENTS WITH RESPECT AND DIGNITY. THROUGHOUT THE WHOLE PROCESS.

The integrity of an organization is reflected in how they treat expectant parents. The expectant parents who choose to explore adoption should be provided with in-depth all options pregnancy counseling and information about the importance of their lifelong role in their child's life. They are entitled to read the full homestudy as they choose an adoptive family.
