

**EXPLORING ADOPTION?
KNOW WHERE TO GO.**

TIP #4

**OUR ADOPTION
PLANNING
INCLUDES A
LEGALLY-ENFORCEABLE
AGREEMENT
FOR ONGOING
VISITS.**

Our legally-enforceable open adoption agreements for ongoing visits and relationship building guidance are key in helping all parties successfully navigate their open adoption over time. Even if birthparents don't feel ready to have visits, the door is left open for them. They will always be welcomed by the adoptive family.
