Make your open adoption vision a reality.

- You choose from a large pool of waiting families who want to build a genuine relationship with you.
- Our adoptions are truly open. You and the adoptive parents create a legally enforceable visits agreement.
- You can count on our lifelong guidance and support.

Fathers matter.

At OA&FS all services are available to birth fathers too. In our open adoptions, you'll be a part of your child's life.

We welcome and encourage expectant father participation.

Open adoption as an alternative to state adoption.

- Concerned the state will remove your child and terminate your parental rights? Here's an empowering alternative.
- Plan an open adoption – you choose the adoptive family and have an ongoing relationship with your child.
- Your child will avoid entering the foster care system.

You will always be part of your child's life.
